

EXPERIENCE

Graduate Teaching Assistant, Public Health Interventions and Training of Trainers
Communications Assistant
Columbia University Mailman School of Public Health

July 2025– Jan 2026
Oct 2024– Dec 2025
New York, NY

- Facilitated weekly discussion sections for 40 graduate students, applying systems-thinking frameworks to public health case studies
- Provided graded assignment feedback within 48-hour turnaround windows, holding consistent office hours to support student comprehension and professional development on course material.
- Produced and distributed the weekly Columbia Mailman newsletter via Mailchimp, reaching a subscriber base of 2,000+ readers.
- Built consensus across departments without direct authority, motivating cross-functional collaboration through clear communication and strategic stakeholder management

National Minority AIDS Council (NMAC)
NextGen Fellowship Advisor

May 2023– June 2024
Washington DC/Remote

- Managed national fellowship program serving 20+ young leaders across multiple states, coordinating curriculum development, technical assistance delivery, and program evaluation
- Built relationships with program alumni, partner organizations, and CDC representatives to strengthen network connections and amplify program impact
- Designed and delivered training strategies addressing emerging HIV challenges, building advocacy skills and knowledge among leaders

Program Coordinator, Public Health Preparedness and Resources
HIV/STI Disease Intervention Specialist
Colorado Department of Public Health and Environment (CDPHE)

June 2022 – Sept 2023
Oct 2020 – May 2022
Denver, CO

- Developed training curriculum from the ground up to prepare 100+ first responders across Colorado for contact tracing and case investigation during the 2022 MPOX outbreak
- Designed and executed a public health messaging campaign that generated 100,000+ social media impressions, raising STI awareness among populations at elevated risk for HIV
- Coordinated with state leadership and CDC to align outbreak response activities with statewide public health priorities
- Assisted with grant tracking, program documentation, and performance reporting to meet state and federal deliverable requirements
- Provided case management to 200+ individuals newly diagnosed with syphilis or HIV, managing caseload priorities and coordinating care delivery across multiple clinical partners

Coordinator, Sexual Health Navigation
Hawaii Health and Harm Reduction Center

July 2017 – Oct 2019
Honolulu, HI

- Built and launched Honolulu's first structured PrEP navigation program, exceeding enrollment targets by 300%.
- Provided one-on-one navigation to individuals initiating PrEP, coordinating lab scheduling, insurance support, and linkage to ongoing sexual health care.
- Designed and delivered HIV/STI prevention education sessions for individuals at elevated risk, applying motivational interviewing and harm reduction principles.
- Developed client-facing educational materials and maintained a streamlined referral network with community-based health providers.
